### Meal Plan Signup and Billing

Dear Commuter Students,

Even though you do not live on campus, we know you likely spend a fair number of your mornings, afternoons, and evenings at Simmons. You are a vital part of the community, and to enhance your experience we invite non-residential students to add the cost of a commuter meal plan to their bill.

### Commuter Meal Plans

Simmons Dining has worked to create different blocks of plans that come with savings! These plans give commuter students options that meet their needs and lifestyle choices.

Block 160 +100 points - \$1850

Block 75 + 100 points - \$990

Block 30 + 50 points - \$415

350 Points + 50 - \$350

200 points + 20 – \$200

100 points + 5 – \$100

View additional information [here](#)

Learn more about how you can utilize a meal plan across campus by viewing the [Dining Guide](#).

Please use the following webform to add this expense to your bill. Once your account is billed the plan cannot be returned. Questions about the plans, please email [Scott-Elizabeth@aramark.com](mailto:Scott-Elizabeth@aramark.com).

### [Meal Plan Sign-Up](#)

#### **Billing Process:**

Student Financial Services (SFS) is looking to work with you as you pay your bill. Many students and families take advantage of a payment plan to cover their balance in full or to supplement any remaining balance not covered by financial aid or loans.

Simmons University, in partnership with TouchNet, offers a variety of payment plans to assist with managing the cost of higher education. To enroll in a payment plan or adjust your existing plan to cover the meal plan charge, please log in to your Workday account and go to Finances > Welcome to the Online Student Account Center > Payment Plans tab. Please allow 3-5 days for the charge to be applied to your account after signing up.

If you are interested in utilizing parent or student loans to help cover the cost of the commuter meal plan, please reach out to Student Financial Services. We have already had discussions with SFS staff and, due to individual student circumstances, they are best able to help guide you through what options are available to you.

**Please review the terms and conditions [here](#) before proceeding with your meal plan purchase.**

If you have further questions, please contact SFS at 617-521-2001 or [sfs@simmons.edu](mailto:sfs@simmons.edu).
